Subject: Obagi to join Waldencast's global best-in-class beauty and wellness platform

OBAGI®

November 15, 2021

Dear Valued Obagi Customer,

Today I am excited to share with you that Obagi® intends to combine with Waldencast Acquisition Corp., forming the foundation of a global beauty and wellness multi-brand operating platform called Waldencast. Nearly four years after setting out on our mission to create the future of skincare, we are joining a family that shares our ambition. Under the Waldencast umbrella, we will work alongside other purpose-driven beauty and wellness brands to create a more inclusive, socially responsible industry.

While we will continue to operate independently with our current leadership team, the collaboration with Waldencast will allow us to continue our success through expanded insights, increased resources for innovation, product development and overall support for our customers. Waldencast will strengthen our ability to deliver transformative solutions at every stage of the skincare journey so we can help even more people around the world greet the future with confidence.

Importantly, you should experience no business disruption. Our dedicated account representatives will continue to care for each of our trusted physicians. The process of purchasing products will remain the same and there will be no changes to our distribution model. That means your needs are met, challenges are shared, and solutions are implemented – on an individualized basis.

Waldencast is unique and deeply experienced – a truly extraordinary operating platform led by experts who are committed to Obagi's independence and nurturing our business, our global reach and our efforts to redefine the category we helped create more than 30 years ago.

If you have any questions, please contact your Obagi representative or email customerservice@obagi.com, or contact me directly.

Thank you for the privilege of working with you and for your support.

Sincerely,

Jaime Castle
